Washington 10, D.C.

Dear Professor Holley:

I certainly appreciate your willingness to represent Middlebury at the Inauguration of James Madison Nabrit as president of Howard University on April 26.

I am inclosing the information that we have on the ceremonies. You will note that the acceptance card should be filled out and sent in to the Inauguration Committee by March 10.

Academic regalia will be forwarded to you in plenty of time for the inauguration.

I was sorry to learn that you have not been in good health and I do hope that the coming months will bring you complete recovery and enable you to carry on an active life once again.

Once again many thanks for helping us out. I hope that the occasion proves to be interesting and enjoyable.

Best personal regards.

Sincerely yours,

Gordon C. Perine
